AUTHORIZING BOARD PRESIDENT TO CONFER WITH SAN MATEO COUNTY AUTHORITIES TO ASCERTAIN POSSIBILITY OF PROCEEDING WITH JOINT STUDY OF MERGING THE CITY AND COUNTY OF SAN FRANCISCO AND THE COUNTY OF SAN MATEO.

WHEREAS, The many mutual aspirations and common problems shared by the citizens of the City and County of San Francisco and the County of San Mateo have by force of natural affinity constituted both two separate political subdivisions of this State as one in many respects, their separate identities being defined more by geographers than by differences in social, political or economic factors; and

WHEREAS, Thoughtful proponents of improvements in governmental structure and operation have suggested that a consolidation or merger of the City and County of San Francisco and the County of San Mateo would create substantial benefits and advantages for both in many areas of governmental activity, including but not limited to a tax restructuring, elimination of presently duplicated functions, improvement of transportation and recreational facilities, enjoyment of larger subventions from other governmental levels, coordination of planning, expansion of health controls, exertion of greater influence in the State Capitol, refinement of court and custodial systems, and the like; and

WHEREAS, Many of the objections raised against such a combined governmental entity in the past have been grounded in relatively inconsequential matters pertaining to preservation of the current identities of both San Francisco and San Mateo, but it has been proposed that such objections be obviated by retaining "San Mateo County" and reconstituting San Francisco as a city in said San Mateo County, thereby eliminating many of the duplicated county functions now existing to the financial embarrassment of the affected citizenry; and

WHEREAS, In order to explore fully the obvious advantages and possible disadvantages of such proposed consolidation, it would appear appropriate to solicity the considered opinion and advices of knowledgeable citizens of both San Francisco and San Mateo, acting as a joint fact-finding agency, and a reporting body whose recommendations, if any, for future proceedings the two entities may pursue; now, therefore, be it.

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby respectfully suggest and propose that a Joint Committee for County Merger be created by subsequent appropriate action of this Board and the Board of Supervisors of the County of San Mateo; that the membership of said Joint Committee be comprised of representatives of both of said Boards of Supervisors, the several City Councils in San Mateo County, the recognized business, labor, professional and civic organizations of both communities, and any other groups mutually desired, said Joint Committee to be authorized and funded adequately for conduct of an intensive study and report as to the pros and cons of said proposed merger; and, be it

FURTHER RESOLVED, That the President of this Board of Supervisors be and he is hereby authorized to confer with the President of the Board of Supervisors of the County of San Mateo for the purposes of (1) ascertaining the latter Board's interest in proceeding with the appointment of such Joint Committee, and (2) drafting and programming further related legislation if in order.

RESOLUTION NO. 521-76

URGING THE PRESIDENT OF THE UNITED STATES TO PARDON IVA TOGURI D'AQUINO

WHEREAS, Iva Toguri d'Aquino -- a California-born, reared and educated woman -- was stranded in Japan at the onset of World War II while making an emergency humanitarian visit to a sick aunt; and

WHEREAS, It was brought out in her 1949 trial in San Francisco that because of her steadfast refusal to renounce her American citizenship in war-time Japan, she was harassed unmercifully by the Japanese police, and denied food rations, causing her severe physical sufferings; and

WHEREAS, Witnesses and affidavits presented at her trial pointed out she was outspokenly pro-American throughout the war years in Japan, continuously maintaining despite much personal danger that the United States would win the war; and

WHEREAS, Many testified that she was threatened and ordered to broadcast over Radio Tokyo by the Japanese military government; and

WHEREAS, Allied POWs (prisoner of war) Major Charles Cousens of Australia and U.S. Army Captain Wallace Ince, both forced to work at Radio Tokyo, testified they assured her that she could help the American war efforts by conducting a popular American music program and by watering down anti-American propaganda; and

WHEREAS, She spent her own meager funds to purchase food, medicine and tobacco, and risked her own life and safety to aid the sick and the weak at the Bunka POW camp in Tokyo; and

WHEREAS, The term "Tokyo Rose" was coined by American soldiers and applied to any and all female broadcasters heard on Japanese radio stations; and

WHEREAS, Iva Toguri d'Aquino was one of 14 English-speaking women announcers employed by Radio Tokyo, but only she was arrested, investigated, tried and convicted; and

WHEREAS, Major Cousens and Captain Ince both testified in the 1949 trial that they wrote all the scripts for Iva Toguri d'Aquino's "Zero Hour" programs; and

WHEREAS, U.S. military propaganda monitors were unable to locate any propaganda or demoralizing statements in her program; and

WHEREAS, U.S. Army Alaskan Defense Command in the spring of 1944 issued a memorandum instructing staff officers to urge their men to listen to her broadcasts because they were free of propaganda; and

WHEREAS, After a year of extensive investigation on the scene by the legal staff of General of the Army Douglas MacArthur and the Federal Bureau of Investigation (FBI), the U.S. Department of Justice concluded that there was no cause and released her in October 1946; and

WHEREAS, The public outcry against her returning to the United States was ignited by the hostile radio and press in a period when public temper was still inflamed against Japan and Japanese-Americans often became targets; and

WHEREAS, After the federal jury twice informed Judge Michael J. Roche that they were unable to reach a verdict, they were then ordered to deliberate some more and bring in a verdict on the ground that it had been a long and expensive trial; and

WHEREAS, She was convicted solely on the testimony of two prosecution witnesses who had renounced their American citizenship; and

WHEREAS, She spent 8½ years of her life in prison, paid $10,000 in fine, suffered untold humiliations and harassments for over 30

BOARD OF SUPERVISORS

years for words she did not say; and

WHEREAS, Although she has lost her rights as an American she has remained a proud and loyal American in spite of her ordeal; and

WHEREAS, Numerous concerned public entities and human rights groups, including the Japanese American Citizens League, the largest national organization representing Americans of Japanese ancestry, have joined in bringing to the consciousness of the American people the injustices surrounding this case; and

WHEREAS, President Ford in his recent proclamation terminating Executive Order 9066, which sent more than 112,000 Japanese-Americans into detention camps during World War II, stated that there must be "an honest reckoning of our national mistakes as well as our national achievements"; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco, the site of the infamous trial of Mrs. d'Aquino, urges the President of the United States to consider favorably her petition for pardon; and, be it

FURTHER RESOLVED, That Iva Toguri d'Aquino be given a full and unconditional Presidential Pardon to redeem her name and restore her cherished American citizenship.

URGING THAT THE PRESIDENT SIGN SB 3201 CURRENTLY AWAITING HIS SIGNATURE, AND MAYOR REQUEST QUALIFICATION FOR FUNDS PURSUANT TO ADOPTION OF SAID LEGISLATION

WHEREAS, Senate Bill 3201 would authorize a $2 billion appropriation-expenditure for public works, which, if enacted, would enable San Francisco to request an allocation of $5,000,000 under such legislation, designated to establish public work employment in needed geographic areas and permitting, inter alia, construction of new security courtrooms at the Hall of Justice; and

WHEREAS, The construction of four additional courtrooms situated over the Coroner's wing of the San Francisco Hall of Justice is a facility of imperative need created by the danger and inconvenience of utilizing City Hall for felony criminal trials; and

WHEREAS, The Hall of Justice courtroom facilities are inadequate and ill-adapted when consideration is made of the increased volume and load of court cases in recent years; and

WHEREAS, Repeated escapes and escape attempts have been hazarded in the improvised quarters of City Hall criminal courts, resulting in the improvident endangering of the public safety due to the sometimes threatening behavior of prisoner-defendants; and

WHEREAS, Criminal trials at City Hall pose an inconvenience to the departments of the Sheriff, District Attorney and Public Defender, taking up bailiff time guarding prisoners at City Hall and the travel necessitated by the prosecutor's presence at City Hall, respectively; and

WHEREAS, Two proposed bond issues in recent years to construct the aforementioned courts have met with simple majority approval by the electorate, but have fallen short of the required two-thirds measure of approval; now, therefore, be it

BOARD OF SUPERVISORS

RESOLVED, That the Board of Supervisors of the City and County of San Francisco does hereby express its strong support for the policy objective of alleviating the burden of using City Hall civil courtrooms for felony criminal trials, by authorizing the Mayor of San Francisco when and if SB 3201 becomes law actively to seek $5,000,000 in federal monies to fund courtroom construction at the Hall of Justice; and, be it

FILE NO. 408-76 RESOLUTION NO. 554-76

DECLARING IT A MORAL IMPERATIVE FOR SOVIET AUTHORITIES TO RELEASE DR. VLADIMIR LAZARIS, THEREBY PERMITTING HIM TO EMIGRATE TO ISRAEL TO JOIN HIS FAMILY

WHEREAS, Mr. Vladimir Lazaris, a Moscow attorney, has for [illegible] years been severed to seek his release from the Soviet Union, and has failed in each and every attempt to not only emigrate to Israel, but to gain employment in his chosen profession from which he was summarily dismissed; and

WHEREAS, In signing both the U.N. Declaration of Human Rights and, more recently, the Final Act of the Helsinki Conference on Security and Cooperation in Europe, the Soviet Union has pledged full support and regard for cooperation with respect to implementation of the basic human right to freedom of movement and family reunification; and

WHEREAS, The nature of Mr. Lazaris' employment involved no [illegible] whatsoever to the ambiguously arcane, and ill-defined concept known as "State secrets"; and

WHEREAS, Vladimar Lazaris must contend with threatened official prosecution on two counts -- charged with "anti-Soviet activity" and "parasitism" for his enforced state of unemployment -- these charges constitute substantiation of the belief that Soviet agencies are unsympathetic with the plight of Soviet citizenry whose desire it is to emigrate; and

WHEREAS, The predicament of Soviet Jews has continually engaged our political attentions, our sympathies, and our moral concerns due to Military conscriptions, forced idleness of Jewish workers seeking emigration and general intimidation and harassment of so-called Refuseniks waiting for visas, and

WHEREAS, Soviet officials are predictably susceptible to vociferous critical world opinion, such opinion acting as an insulator from further worsening of individual situations; and

WHEREAS, In addition to physical and emotional deprivations suffered by Refuseniks such as Vladimir Lazaris, in this specific case Mr. Lazaris endures the further burden of physical separation owing to the fact that his wife and retarded son are now in Israel; now, therefore, be it

RESOLVED, That the Board of Supervisors of the City and County of San Francisco hereby reaffirms those precepts which together form the Universal Declaration of Human Rights and the Helsinki Act of the Final Act of the Helsinki Conference, and requests that the Soviet authorities conform to their professed adherence to said precepts and embodied principles, thereby authorizing and expediting the release of Vladimir Lazaris, permitting his emigration to the state of Israel; and be it

FURTHER RESOLVED, That copies of this resolution be forwarded to his Honor, the Mayor, the San Francisco delegation to the United States House of Representatives as well as Senatorial representation of the State of California, and be further transmitted to Soviet authorities here and abroad in the Soviet Union, so that compliance with the intent of this resolution may thereby be secured.

FILE NO. 409-76 RESOLUTION NO. 555-76

ORDERING AN IMMEDIATE HALT TO THE TRAFFIC BARRIER CONSTRUCTION IN THE INNER RICHMOND DISTRICT PENDING A REVIEW OF PUBLIC RESPONSE AND FURTHER PUBLIC HEARING

WHEREAS, Traffic barriers presently under construction in the Inner Richmond District have resulted in numberous citizen complaints regarding the loss of parking space, the difficulties of navigating the area and the hazard to motorists from unexpected obstructions; and

WHEREAS, There is substantial indication, based on letters and telephone calls to the Board of Supervisors, that many residents of the area had no notion of what was being planned for their streets; and

WHEREAS, Direct observation of barriers presently installed indicate motorists are driving against the traffic flow in order to make blocked left turns, making U-turns and otherwise subverting the intention of making traffic move more smoothly and safely; and

WHEREAS, An immediate halt to the construction of barriers would be far cheaper in the long run than permitting them to be completed and later deciding they should come down; now, therefore, be it

RESOLVED, That this Board urges an immediate halt in the construction of Inner Richmond barriers; and be it

FURTHER RESOLVED, That this Board requests the Department of Public Works to poll the Inner Richmond residents as to their reaction to the barriers and to make the results of this survey available to the Board of Supervisors for consideration at a public hearing; and be it

FURTHER RESOLVED, That copies of this resolution be forwarded to the Mayor for prompt transmittal to all affected public agencies and to the contractor for the barrier project for his estimate of the cost of a change order at this time.

AUTHORIZING THE CITY DEMONSTRATION AGENCY TO ENTER INTO CONTRACTS WITH MODEL CITIES OPERATING AGENCIES LISTED IN THE 1976 COMMUNITY DEVELOPMENT PROGRAM EXPENDITURE SCHEDULE AS AMENDED AND APPROVED BY THE BOARD ON DECEMBER 15, 1976, FOR THE PERIOD OF AUGUST 2, 1976, TO SEPTEMBER 30, 1976, AND AUTHORIZING THE CONTROLLER TO ALLOT THE NECESSARY FUNDS FOR SUCH CONTRACTS FROM THE 1976 MODEL CITIES COMMUNITY DEVELOPMENT ALLOCATION.

WHEREAS, the City and County of San Francisco pursuant to Resolution No. 866-75, adopted by the Board of Supervisors of the City and County of San Francisco on December 15, 1975, approved the 1976 San Francisco Community Development Program (hereafter "Program"), and authorized the Mayor on behalf of the City and County of San Francisco to apply for and receive the City's 1976 Community Development Block Grant from the United States Department of Housing and Urban Development (HUD) providing for expenditure schedules for certain Community Development project activities; and

WHEREAS, the Model Cities Program of the City and County of San Francisco administered by the City Demonstration Agency of the Office of the Mayor, (hereafter referred to as "CDA"), was set forth as one of the Program activities to be funded for an eleven month period (February 1, 1976, through December 31, 1976) as identified in Section C(1) of the Program on file with the Clerk of the Board of Supervisors; and

WHEREAS, said Section C(1) was amended by the Board of Supervisors prior to approval authorizing the CDA to contract with the individual Model Cities Operating Agencies for a period not to exceed six months (6) beginning February 1, 1976, with the further stipulation that continued funding for the remaining five (5) months (August through December) would be contingent upon approval of the Board of Supervisors after the Board's examination of the evaluation reports for each Model Cities Project to be prepared and submitted to the Board by the CDA Evaluation Staff; and

WHEREAS, the CDA has experienced difficulty in completing the total evaluation of the Model Cities Projects, in that the necessary executive input into final recommendations concerning the various projects has been frustrated

by the restructuring of the Model Cities Council and the Model Neighborhood Committees, created pursuant to Ordinance No. 217-74 to provide citizen input to the Model Cities process, as well as the recent installation of a new Executive Director of the CDA; and

WHEREAS, in fairness to the Model Cities Operating Agencies and to allow the newly installed committees and council as well as the Mayor and the CDA Executive Director adequate time to review and to properly evaluate the Model Cities Agency Projects; therefore, be it

RESOLVED, by this Board of Supervisors as follows:

Sec. 1. The City Demonstration Agency is hereby authorized to enter into two month contracts with the Model Cities Operating Agencies listed in the Amended Expenditure Schedule of the 1976 Community Development Program, identified as Section C(1) for the period of August 2, 1976, through September 30, 1976.

Sec. 2. The Controller is hereby authorized to allot the necessary amount of funds of the total monies allocated to the Model Cities Program pursuant to Resolution No. 866-75 as set forth in the 1976 Community Development Program Expenditure Schedules so as to allow the CDA to contract with those Model Cities Operating Agencies enumerated in said Expenditure Schedules.

WHEREAS, It has been announced that the State of California will enjoy an unexpected budget surplus of $800,000,000 for the 1975-1976 fiscal year; and

WHEREAS, Senate Bill 2198, if enacted, would reduce the California sales tax by one percent in order to rebate $435,000,000 of said surplus to the people of California; and

URGING THE STATE LEGISLATURE TO PASS AND THE GOVERNOR TO SIGN AB 2601 RELEVANT TO RATES OF PAYMENT TO SUPPLEMENTAL SECURITY INCOME RECIPIENTS

WHEREAS, Supplemental social security income (SSI) and social security payments totalling a combined $259 per person is granted monthly to eligible needy California residents, most of whom are elderly, blind and disabled; and

WHEREAS, These grants are calculated such that SSI payments are set as the difference between the social security payment and the ceiling rate of $259; and

WHEREAS, Social security recipients recently received a 6.4% cost of living increase, which has the immediate effect of raising senior citizen hotel rates and other living expenses which are tied to social security payment rates; and

WHEREAS, In the past, in order for recipients to benefit from social security payment increases, the State Legislature has had to act almost annually to raise the ceiling for combined SSI and social security by a rate equal to the social security rate increase; and

WHEREAS, Assembly Bill 2601, pending in the Senate Health and Welfare Committee, shortly to pass onto the Senate Finance Committee, proposes to set an automatic increase at the same rate as any social security increases, thus avoiding future lapses in funding and repetitive legislative action; now, therefore, be it
